Sample 2

Early Feedback

*Please help me make this class beneficial to you by giving me some feedback.*

1. Good things about the class: (What helps you? What is interesting? What do you want to do more of?)

2. Things that might be different: (Do you want to do things in a different way? Are there additional activities that might help you learn?)

4. Is the pace too fast? Too slow? Is there too much homework? Too little?

5. Any additional comments:
