

## Comparison of color vs. black and white PPT slides

The following examples show the clear contrast between the foreground text and background design on PPT slides using both color and black and white formatting.

Example 1:

**FINANCIAL ACCOUNTING:  
FOUNDATIONS** 1

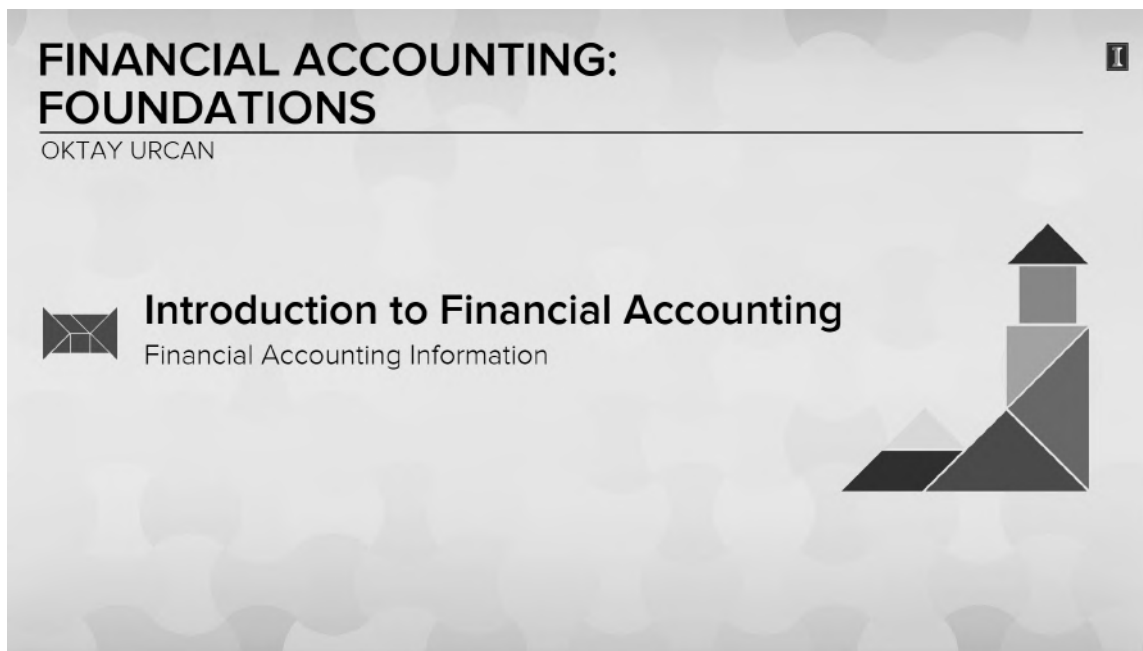

---

OKTAY URCAN

 **Introduction to Financial Accounting**  
Financial Accounting Information

A PPT slide with a light blue background featuring a subtle pattern of overlapping circles. The title "FINANCIAL ACCOUNTING: FOUNDATIONS" is in bold black text at the top left, with a small "1" in a square at the top right. Below the title is a horizontal line, followed by the author's name "OKTAY URCAN". The main content area features a small icon of a document with a grid, followed by the title "Introduction to Financial Accounting" in bold black text and the subtitle "Financial Accounting Information" in a smaller font. On the right side, there is a graphic of a staircase made of geometric shapes in shades of teal and orange.
