START

DIRECTIONS

SEE THE ICES CATALOG FOR COMPLETE DIRECTIONS.

You may choose a questionnaire either by selecting items from the "Instructor-Selected Items" or by selecting a complete form. If you choose a complete form, you cannot also select additional items.

Choosing Instructor - Selected Items.

1. You may choose a maximum of 23 items. However, if your department has a core set of items, subtract this number from 23. Check with your department.
2. If the student items are selected, this also decreases items available.
3. Refer to the catalog to choose the items you wish, then darken the circles beneath the appropriate item numbers.

Choosing a Complete Form.

1. Refer to the catalog for a brief description of each form.
2. Choose a form by darkening the appropriate circle in the shaded area on the far right.
