Dear [contact('first name')],

This survey will be used to assess the quality of online courses offered by the [invite('custom 1')] program in order to make improvements and should take less than five minutes. Your responses will be completely confidential. Only University personnel who are under strict guidelines will have access to your individual responses. Unless you grant specific permission to quote the comments you provide, all data will be reported only in the aggregate.

This is completely voluntary and will have no impact on your course grade or your relationship with the University of Illinois.

This research is being conducted by the Center for Innovation in Teaching and Learning at the University of Illinois at Urbana-Champaign.

Thank you again!

Dr. Maryalice Wu
