

**ADVANCED PLACEMENT PROGRAM**

**Cutoff Scores, Placement Messages, and Credit Policies for 2017-2018**

Academic credit is awarded for scores of 3, 4 and 5 and is subject to change upon annual review. The policies below apply to all students entering Illinois in Summer 2017, Fall 2017 or Spring 2018. Only scores resulting in credit are shown.

For descriptions of the courses listed in the table below, please see the Courses of Instruction section in the Academic Catalog. Course numbers listed as 1 - - and 2 - - are considered elective credit within the stated subject area. This is because our campus does not have an equivalent course that corresponds to the AP course. Students can apply elective credit towards their graduation requirements. Students should consult with their academic advisor to determine how test-based credit may best be used to meet their specific curriculum and program requirements.

*Questions may be directed to Placement & Proficiency  
by emailing [pnp@illinois.edu](mailto:pnp@illinois.edu) or by calling 217-265-6248.*

\*\*\*\*\*

The University of Illinois recognizes the value of the Advanced Placement (AP) Program and the International Baccalaureate (IB) Programme. However, students should be aware that there are times when it is in the student's best interest to take the Illinois course that corresponds to the AP or IB credit instead of accepting the test-based credit, so as to be better prepared for the rigors of the subsequent course in the sequence. Students are able to consult with their academic advisors during Registration in order to determine what will be most appropriate for their individual plan of study.

All incoming undergraduate students who barely miss earning AP proficiency credit and who have not already earned college-level credit in the subject are allowed to take an Illinois departmental proficiency exam in math, the sciences, or the humanities if they wish to try to proficiency out of an introductory course. Certain restrictions may apply.

AP Exam	AP Score	UIUC Course Proficiency	Credit Hours Earned	UIUC Course Placement
Art History	3, 4, or 5	ART 1 - -	3	-
Studio Art: 2-D Design	3, 4, or 5	ART 105	3	-
