

INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME
Cutoff Scores, Placement Messages, and Credit Policies for 2019-2020

Academic credit is awarded for scores of 4, 5, 6, and 7 on the IB Diploma Programme exams, whether Higher Level or Standard Level. The policies below apply to all students entering Illinois in Summer 2019, Fall 2019, or Spring 2020. Only scores resulting in credit are shown.

For descriptions of the courses listed in the table below, please see the Courses of Instruction section in the Academic Catalog. Credit listed as 1 - - and 2 - - is considered elective credit within the stated subject area. This is because our campus does not have an equivalent course that corresponds to the IB course. Students can apply elective credit towards their graduation requirements. Students should consult with their academic advisor to determine how test-based credit may best be used to meet their specific curriculum and program requirements.

CHANGES FOR 2019-2020: None

*Questions may be directed to Placement & Proficiency
by emailing pnpp@illinois.edu or by calling 217-265-6248.*

The University of Illinois recognizes the value of the Advanced Placement (AP) Program and the International Baccalaureate (IB) Programme. However, students should be aware that there are times when it is in the student's best interest to take the Illinois course that corresponds to the AP or IB credit instead of accepting the test-based credit, so as to be better prepared for the rigors of the subsequent course in the sequence.

Students are able to consult with their academic advisors during Registration in order to determine what will be most appropriate for their individual plan of study.

All incoming undergraduate students who barely miss earning IB proficiency credit and who have not already earned college-level credit in the subject are allowed to take an Illinois departmental proficiency exam in math, the sciences, or the humanities if they wish to try to proficiency out of an introductory course. Certain restrictions may apply.
