

## Graduate Academy for College Teaching – August 2022

The Academy will be a hybrid format this August, with a combination of asynchronous online pre-work, live Zoom sessions, and live face-to-face sessions. Participants must complete the pre-work, attend their small group session, attend four concurrent sessions, and participate in Microteaching. Below is a tentative timeline for the event. All times Central. The full program will be ready before the Academy, and will be sent directly to registrants.

### August 18-19, Thursday-Friday, Microteaching

Participants attend one 90-minute Microteaching session. Sessions run throughout both days, and participants sign up for their session time upon being registered for the Academy. We will hold face-to-face Microteaching sessions on August 18, and Zoom Microteaching sessions on August 19. The sooner TAs get registered for the Academy, the more likely they will have a choice of time and Microteaching modality.
