**Maximizing Opportunities for Students to
Become More Effective, Efficient Learners**

"Much of what we've been doing as teachers and students isn't serving us well, but comparatively simple changes could make a big difference."

Make It Stick: The Science of Successful Learning

Welcome to new and returning attendees!

You are invited to come join a dynamic learning community by participating in this specially designed workshop series for all faculty (across all disciplines and rank). We'll share strategies and best practices from research-based pedagogy.

Meet new colleagues. Great conversations and handouts guaranteed!

Sept. 14, 2022 (W)	Session 1: Maximizing Informal (IEF) and Formal (ICES) Student Feedback to Enhance Teaching and Learning (I wish I had known that earlier...)
