

**Spring 2025
Faculty Workshop Series
on Teaching & Learning**

I
ILLINOIS
Center for Innovation
in Teaching & Learning

**Theme: Engaged, Evolving, and Energized
Teaching & Learning: What, How, and Why**

*Learning (and the teaching process) is not so much an additive process, with new learning simply piling up on top of existing knowledge, as it is **an active dynamic process** in which the connections are constantly changing and the structure formatted.*

K. Patricia Cross

Welcome!

Come join a dynamic learning community by participating in this specially designed workshop series for all faculty (across all disciplines and rank). We'll share strategies and best practices from research-based pedagogy. Great conversations and handouts provided.
