

**Spring 2025  
Faculty Workshop Series  
on Teaching & Learning**

**I**  
**ILLINOIS**  
Center for Innovation  
in Teaching & Learning

**Theme: Engaged, Evolving, and Energized  
Teaching & Learning: What, How, and Why**

*Learning (and the teaching process) is not so much an additive process, with new learning simply piling up on top of existing knowledge, as it is **an active dynamic process** in which the connections are constantly changing and the structure formatted.*

*K. Patricia Cross*

**Welcome!**

***Come join a dynamic learning community by participating in this specially designed workshop series for all faculty (across all disciplines and rank). We'll share strategies and best practices from research-based pedagogy. Great conversations and handouts provided.***
